Recycling & Trash Collection

For Residents and Businesses with Municipal Trash

Collection Schedule:

Trash is collected weekly. Recyclables are collected every other week.

See pages 8-9 for street listings and schedule.

Recycling:

Residents are required to separate recyclable material from trash. (On City website, search for "Ordinances," then see Health and Sanitation Ordinance, Chapter 8, Article III, Division 1.)

The materials which must be recycled are cardboard, paper, glass bottles and jars, metal cans and aluminum foil/foil pans, and plastics with recycle numbers 1, 2, & 5. (Sec. 8-93 Enforcement & Penalties. Failure to comply with recycling ordinance carries a \$100 fine.)

Household Carts:

Every household has one 64-gallon recycling cart. It is green with a hinged

lid (see photo on page 2). Please label it with your address.

The carts belong to the house and **must be left at the house in the event of a move.**

If the cart is missing, residents may use any barrel which is clearly marked "Recycle". The City Recycling Department can provide you with such labels.

Cart Placement:

Please remember to place the recycle carts **three feet** from other objects, with the wheels toward the house. Do not overfill barrels and please clean up after pickup.

Trash Reminders

Bulk Items: furniture and carpet (cut in 4-foot sections) must have a bulk sticker attached. No construction debris, large appliances, metal items, electronics, or mattresses allowed. Fees subject to change. **Only one bulk item per week.** Bulk stickers can be purchased at the customer service windows at Shaw's, Market Basket or Richdale's on Pleasant Street.

Bulk stickers can also be ordered online. Visit www.cityofnewburyport.com/payments. (Or click "Make a Payment" button.)

Yard Waste Stickers: Visit www.cityofnewburyport.com/payments. Directions in FAQ section on Recycling Department page.

Mattresses and Textiles: items like old clothes and fabrics are banned from trash disposal in MA. All must be recycled. Textile bins can be found near Nock/Molin or Bresnahan school driveways.

Mattress Recycling: so long as a mattress or box spring is dry, it can be recycled by UTEC for \$30. Call 978-499-0413 to register for a pick-up, or call to arrange to drop it off at Recycle Center. Futon

mattresses are considered trash and should be disposed of with a bulk sticker.

Mattress Donations: if in good condition, mattresses and box springs can be offered on Newburyport Virtual Yard Sale, FreeCycle, or NextDoor.com.

Construction Materials: (including toilets and sinks) must be taken to a G. Mello transfer station; NOT allowed in trash. See list on page 4.

Water-Based Paint: dry it out, **set up to 4 paint cans next to your trash**, and put the lids on loosely. Use kitty litter for fast drying.

Though subject to change, trash is limited to six 15-gallon bags or three 32-gallon barrels per household each week. Barrels that are larger than 64 gallons will not be picked up.

Do not fill the barrel above rim. Please bag all trash and clean up after pick up. Put trash out after 5 PM the day before and before 7 AM the day of pick up. Bring empty barrels back in by 6 PM.

If trash barrel does not have a hinged lid, please consider finding a way to attach the lid to the barrel.

MISSED PICK UP?

For Trash or Recycling, call G. Mello Disposal at 978-352-8581 or email newburyport@mellodisposal.com.
For Food Waste, use your customer portal for Black Earth Compost.

www.cityofnewburyport.com—for online payments and E-Alerts.
Call the Recycling Department at (978) 499-0413

Curbside Recycling Reminders

- **Recycling is mandatory** and will be enforced.
- **Recycling is single stream**; place all recyclables in the same container. Set recycling carts and trash out by 7 AM on collection day.
- **No plastic bags of any kind in recycling carts**, even if they have a recycle number. The place to recycle plastic bags is in a supermarket's specially marked bin in front of the store. This includes bubble wrap.
- **Large cardboard** must be cut and folded so it is no more than 3 feet wide or tall. It must be bundled, tied, and left next to your container.
- **No textiles**; (i.e. fabric, clothing) must be put in recycling carts. Take to a thrift store or textile bin (see page 4).
- **Containers must be rinsed or wiped out**, but do not have to be completely clean.
- **No clothes hangers** in recycling carts. Wire hangers may be taken to dry cleaners. Plastic hangers can go to the Recycling Center.
- **No electronics, batteries, cell phones, oil, oil-based paint, fluorescent bulbs (including CFLs), appliances (large or small), plant containers, plastic bags or Styrofoam in recycling carts.** These items can be recycled at the Recycling Center (see page 3).
- **Glass bottles/jars** must be clear, green, or brown in a curbside recycling bin. No broken glass or other glass such as light bulbs, window or auto glass, dishes, glasses or Pyrex (see page 4).
- **Metal items** other than food cans may not go in curbside carts. Other metal (e.g. pots and pans, grills) may be taken to the Recycle Center (see page 3).
- **Plastic containers** with the numbers 1, 2 and 5 are more frequently used in post-consumer markets; try avoiding packaging using 3, 4, 6 and 7. No un-numbered plastics. Leave plastic caps/lids on plastic bottles.
- **No Styrofoam, even if labeled "recyclable."** Put in trash or take white non-food types to Recycling Center (see page 3).
- **Paper**; recycle all your clean, non-food type paper!
- **Tin, steel, and aluminum**: Food cans and lids, deposit and non-deposit beverage cans (**do not flatten**), and clean aluminum foil and foil pans are okay. No cans which contained hazardous material or paint.
- **Pizza boxes** are recyclable as long as there is no food; they can still be recycled if there's grease.
- **You may use an overflow barrel** if clearly marked and placed close to recycling cart.
- **Aerosol cans are now considered trash.**
- *For full list, search "Recyclopedia" on the city website: www.cityofnewburyport.com.*

Recycling

No plastic bags of any type in the recycling barrel. Please recycle plastic bags at the grocery store. Additional recycling may be placed in bins clearly marked with "RECYCLING". Free recycling stickers may be picked up at City Hall.

Newburyport Community Resources

Programs and actions that you can take

The Newburyport Resiliency Committee's mission is to develop a plan that incorporates regional planning efforts to increase the City's resilience in relation to sea level rise, storm surge, flooding, and extreme weather events. Together, we can create a climate-resilient city that thrives. Learn more by scanning the QR code.

SCAN ME

S.O.S. Save Our Sewers

Fats, Oils and Grease (FOG) are a major cause of plumbing back ups in homes and in the City sewer system that YOU can help prevent. Never pour grease or other household oils down sinks or toilets. Pour cooled cooking fats, oils and grease into a waxed food container and dispose of it in the garbage or bring to Recycle Center.

SHARPS

Hypodermic Needles, Syringes, Lancets

Residents may dispose of their "SHARPS" in the collection kiosk located across from the Recycling Department at City Hall.

Never place loose sharps in the kiosk; they must be contained in a rigid, puncture-proof container, such as a laundry detergent bottle. Sharps that are not in puncture-proof containers will not be accepted.

Clothing & Textiles

Clothing and textiles placed in donation bins get re-used or recycled. Stains and rips are allowed. Bins are at Bresnahan School (North Atkinson St. entrance) and Nock/Molin Schools (Low St. parking lot), the Recycling Center and at Yard Waste Facility.

Energy Reduction Resources

EnergizeNewburyport is an interactive website designed to help communities reduce energy usage and greenhouse gas emissions. EnergizeNewburyport provides information, resources, and tools to guide residents towards energy efficiency. For more information, visit www.massenergize.org and select "Communities".

Massachusetts is an Idle Free Zone

Massachusetts law prohibits unnecessary and unattended engine idling. Violators can be punished by a fine up to \$100.

Turning off your engine, protects:

- **The environment.** Idling engines contribute to smog and global warming.
- **Our health.** Exhaust pollution is harmful to people and animals.
- **Your money.** The less fuel your engine consumes, the more money you save.
- **Your engine.** Idling gradually wears out components such as engine oil, spark plugs, and the exhaust system.

Turn off the engine as soon as you end your trip. You'll be protecting the environment, your health, and saving money. Idling gets you nowhere.

Don't Waste Food Waste

Conserve nutrients in food scraps and reduce your trash up to 40%. There are three options in Newburyport to compost:

1. Subscribe to Black Earth Compost.com for weekly curbside pick up
2. Do it yourself with a deeply discounted backyard composter (Earth Machine) see below:
3. Drop off your food waste in paper or compostable bags at any of these three sites:
 - 115 Water Street, past parking area on left
 - Rail Trail at Washington Street (between Winter and Strong Streets)
 - Yard Waste Facility, at gate, Colby Farm Lane

Purchase a Discounted Composter

The City of Newburyport sells backyard composters, known as the Earth Machine, designed to compost food (no meat, cheese or bones) and yard waste. It will provide an all-natural nutrient-rich supplement for gardens or lawns. The 80-gallon bins are sold at the Colby Farm Lane Yard Waste site for \$35 for residents, and \$46 for non-residents.

Dog Licenses: All dogs six months of age or older must be licensed with the City through the City Clerk’s Office by April 1 each year (after June 1, late fees will apply.)

License Fees: Neutered/spayed dogs; \$10. Reproductively intact dogs; \$15.

Fee is waived for Senior Citizens age 65 and over; and for individuals who are blind, deaf or mobility impaired.

Lost & Found Pets: To report a lost or found pet, call 978-465-4410 . On nights and weekends, contact the Police Department at 978-462-4411.

Leash Law Section 3-26: No person shall own or keep in the City, outside the confines of the owner’s or keeper’s property, any dog which is not held firmly on a leash. Failure to comply with subsection (a) shall be punishable by the following schedule of fines: First offense is \$50.00; second offense is \$75.00; third offense is \$100.00.

Dogs On Beaches & Rail Trail: Dogs are **NOT** allowed on any part of the public beach between May 15 and September 15. From September 16 through May 14, dogs are allowed on beach; however, they **must** be held firmly on a leash at all times. Dogs are allowed on the Rail Trail (year round) but must be held firmly on a leash (including on the portion of the Rail Trail between Cashman off-leash area and the river).

Pet Waste Disposal: Dog waste must **never** be thrown in someone else’s trash or in Recycle Containers
 Disposal of Animal Waste: Section 3-2: *All persons owning or in custody of an animal will be responsible for removal and disposal of that animal’s waste. The fine for violation of this provision for the first offense shall be \$50.; for second offense \$75.; third subsequent offenses \$100.*

ANIMAL RELATED EMERGENCIES

An emergency complaint is one that requires immediate action from the Animal Control Officer. Incidents qualifying as an emergency complaint are those in which there is imminent threat to human life or an injury to a domestic animal. Examples of emergency complaints include:

- Domestic animal hit by car and injured
- Canine bite, attack or mauling in progress
- Potentially rabid animal having contact with human or domestic animal
- At large dogs acting vicious or posing a threat to a human or other animal
- Large dead animal disrupting traffic flow

NOTE: Loose dogs or dogs in custody are NOT an emergency. The on-call ACO working nights and weekends cannot respond to loose dogs or dogs in custody.

NON-EMERGENCY COMPLAINTS

All other complaints are non-emergency complaints. Non-emergency complaints are those that do not pose a threat to life, public safety or danger of serious injury to the public or animals. Non-emergency complaints do not require immediate action from the Animal Control Officer and shall be investigated during normal business hours. Examples of non-emergency complaints include:

- Dead animals on the side of road or in public areas not disrupting traffic
- Loose or lost domestic animals
- Stray domestic animals
- Violations of animal control ordinances which do not pose a threat to public safety
- Nuisance complaints

Off Leash Areas	Exclusions and Restrictions	Off Leash Hours	Seasonal Restrictions
Cashman Park	Excluding: playground, basketball court, tennis court, baseball field & soccer field and walkways	7:30 AM—9 AM & 4PM—7 PM	Year round
Moseley Woods	Excluding: playground, pavilion, and picnic areas	Dawn till Dusk	Year round
March's Hill	Excluding: basketball court	Dawn till Dusk	No off leash dogs allowed when people are sledding

Public Health

- **City Wide Flu Vaccine Clinics** are offered by the Health Department each year. Dates, times and locations of Clinics are published in the newspaper, City Website and on Cable News.
- **Blood Pressure Checks:** The Public Health Nurse is available by appointment to perform blood pressure checks in the Health Department Office, at no charge. Monthly Blood Pressure Checks are held at the Senior Center the second Thursday of every month.
- **Mental Health/SNAP/Mass Health/Transition Resources:** see Massachusetts.networkofcare.org
- **Substance Abuse Services:** Need to get a Narcan rescue kit for yourself or a loved one but don't have a prescription? Download the state-wide standing order at www.mass.gov/doc/statewide-standing-order/download.

Seabrook Nuclear Power Plant & KI (Potassium Iodide)

The City of Newburyport is located in the Emergency Planning Zone (EPZ) for the Seabrook Nuclear Power Station. This means that residents must take extra steps to be prepared should an accident occur (cityofnewburyport.com/health-department/emergency-preparedness).

Three important steps to prepare for an emergency at the power plant is to:

1. Sign up for Code Red notifications for radiological emergency at Seabrook Power Station on the health department website.
2. Plan your evacuation route and have an emergency plan for you, your family, and your pets.
3. Pick up your KI tablets free of charge during normal business hours at the Health Department.

North Shore Mother Visiting Partnership

Newburyport residents are invited to receive a free one time visit from the Public Health Nurse. The nurse will visit a mother or caregiver, ideally within 12 weeks (but up to one year) of giving birth or adopting a baby, regardless of the mother's age, insurance, income or number of children. The visit will last approximately 1 ½ hours and will take place in the mother's home or at a mutually agreed upon location. All services provided by the Public Health Nurse are free and confidential. To sign up for a home visit, contact the Health Department at 978-465-4410.

Trash collection is weekly. Recycling is collected every other week on your regular trash collection day. See A or B week on street listing page.

Whenever a scheduled collection day falls on a holiday below, that day's collection and all remaining collections for the week will be delayed one day. Friday's collection will be on Saturday. The only exception is the Downtown area which will remain on Fridays during holiday weeks.

There are only SIX observed holidays in the 2024-2025 collection year: Independence Day (July 4th), Labor Day, Thanksgiving, Christmas, New Year's Day and Memorial Day.

H – Holiday **R** – Recycling Drop off **L** – Bagged Leaf Collection
HW – Household Hazardous Waste, Recycling & Paper Shredding Day

Nourishing the North Shore works to ensure equal access to healthy, local food to all members of the North Shore communities, by connecting local families to sustainably-grown local food. We believe that there is an inextricable connection between the health of the land and the health of the people, and that we must act on a local level to rebuild and strengthen these connections.
